

# HOLIO

**Integrate your Shopify  
store with Holio**

# Step 1. Log in

Log in at <https://app.holio.ai> using your Profrakt account credentials

# Step 2

Navigate to the **Integrations** section

The screenshot displays the HOLIO dashboard interface. On the left is a vertical navigation menu with the following items: Home, Sales, Purchase, Warehouses, Profrakt logistics, **Integrations** (highlighted with an orange box and a 'New' badge), Settings, and Customer support. The main content area is titled 'Welcome to Holio' and features several sections:

- Order & Warehouse management system** (Activated): Includes buttons for 'New product' and 'New sales order'. Description: 'Centralize and automate your orders. Integrate your store, manage sales and stock in one place, automatically choose shipping method, and handle labels and tracking with ease.'
- Transport management system** (Activated): Includes a 'New shipment' button. Description: 'Ship smarter and save more. Get access to multiple carrier agreements with volume-based discounts and transparent pricing. Create, book, and track shipments from one platform - faster and cheaper than ever before.'
- Discover more**: Contains two cards:
  - Shopify shipping app**: Includes a 'Shopify store' button. Description: 'Create and print shipping labels directly in Shopify. Install the Holio app from the Shopify store to generate labels in bulk, send them straight to your connected printer, and ship faster with built-in carrier integrations, tracking, and automated status updates.'
  - Holio Ops - Mobile app**: Includes a 'Download' button. Description: 'Pick, pack, and ship faster with barcode scanning, instant labels, and real-time stock control. Smart mobile workflows to keep operations running smoothly on the go.'
- Coming soon**: Includes two cards:
  - Insights**
  - Return portal**

At the top right of the dashboard, there are utility elements: 'Home', 'Your company', 'Prices', 'Norsk', and a help icon.

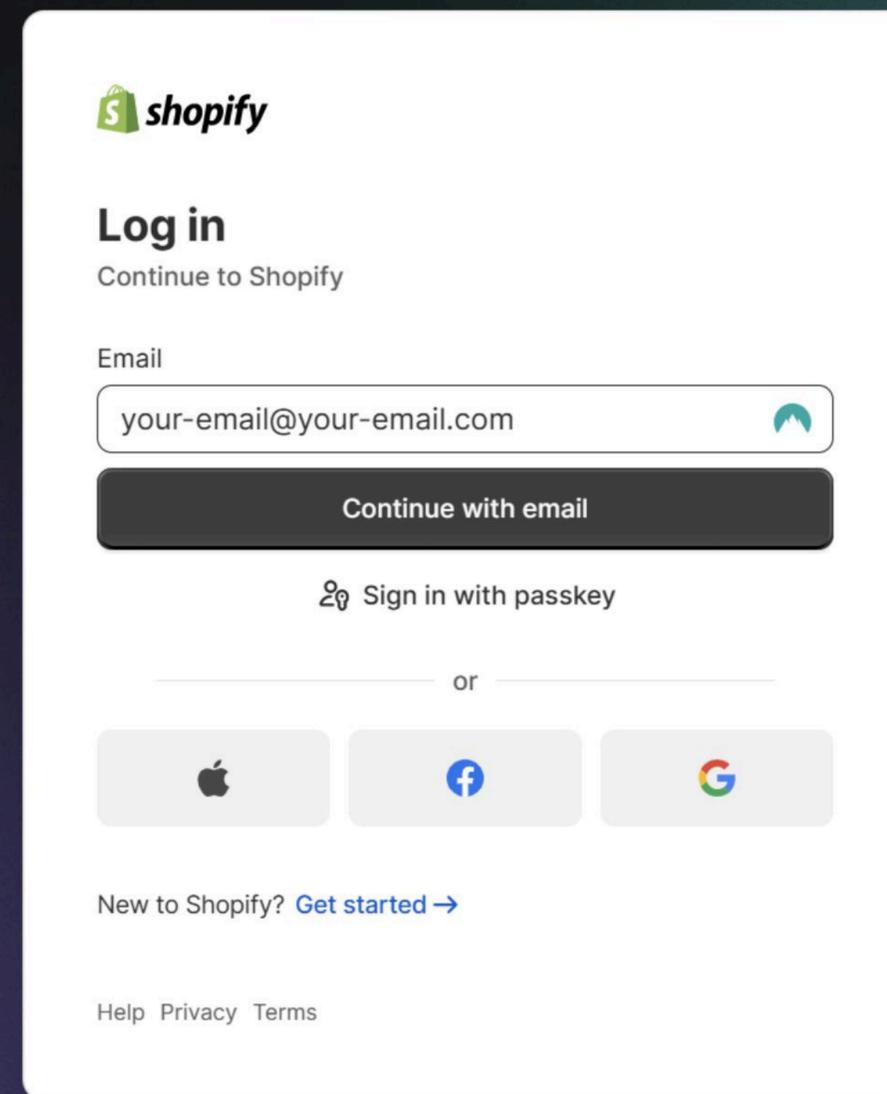

# Step 3

Select the Shopify integration and **click the Install button**

The screenshot displays the HOLIO user interface. On the left is a navigation sidebar with the following items: Home, Sales, Purchase, Warehouses, Profrakt logistics, Integrations (marked with a 'New' badge), Settings, and Customer support. The main content area is titled 'Integrations' and features a 'Store integration' section with the subtitle 'Achieving all-in-one management for enhanced efficiency, cost savings and centralized data management'. Three integration options are listed: 'Shopify Integration' (with a green 'S' icon and a black 'Install app' button), 'WooCommerce Integration' (with a purple 'Woo' icon and a light green 'Integrate store' button), and 'Mystore Integration' (with a blue and yellow icon and a light green 'Integrate store' button'). An orange arrow originates from the 'Integrations' menu item in the sidebar and points to the 'Install app' button for the Shopify integration. The top right of the interface shows a user profile 'DørDesign Distributør', a 'Prices' button, a language selector for 'Norsk', and a help icon.

# Step 4

You will be redirected to **your Shopify store**, where you need to log in

# Step 5

Then you will be redirected to the **Holio app** installation page.

Click **Install** to continue

### Install app

**Holio**  
Holio AS

This app needs access to:

- View personal data  
Customers, store owner
- View and edit store data  
Customers, products, orders

Why does Holio need data access? Check their [Privacy Policy](#).

Cancel **Install**

# Step 6

After that, you will be **automatically redirected** to <https://app.holio.ai>

The integration setup may take up to 2–3 minutes. **Please do not refresh or close the page**

The screenshot displays the HOLIO web application interface. On the left is a sidebar menu with options: Home, Sales, Purchase, Warehouses, Profrakt logistics, Integrations (with a '99' badge), Settings, and Customer support. The main content area is titled 'Integrations' and features a header with 'DørDesign Distributør', 'Prices', and 'Norsk'. Below the header is a section for 'Store integration solutions' with the subtitle 'Achieving all-in-one management for enhanced efficiency, cost savings and centralized data management'. Three integration options are listed: 'Shopify Integration: empower your Adminpanel' (marked 'New' with an 'Install app' button), 'WooCommerce' (with an 'Integrate store' button), and 'Mystore' (with an 'Integrate store' button). A white modal window titled 'Integration in progress' is overlaid on the page, containing the text: 'We're setting everything up to get your store connected. This may take 2–3 minutes' and a green square progress indicator. A note at the bottom of the modal reads: '\*Please keep this window open while we complete the process'.

# Step 7

When the integration is ready, you will see that the integration is active.

You can then go to **Sales orders** and **Products** to **view your data**

The screenshot displays the HOLIO Integrations page. On the left, a sidebar menu includes Home, Sales, Purchase, Warehouses, Profrakt logistics, Integrations (marked as 'New'), Settings, and Customer support. The main content area is titled 'Integrations' and features a 'Store integration solutions' section. This section includes a sub-header 'Achieving all-in-one management for enhanced efficiency, cost savings and centralized data management' and a list of integration options: Shopify, WooCommerce, and Mystore. The Shopify integration is highlighted with an orange arrow pointing from the 'Sales' menu item. Below the integration list, there are three setup cards: 'Carrier agreement', 'Shipping setup', and 'Synchronization setup'. A promotional banner for the 'Warehouse' app is also visible, along with buttons for 'Integrate store' for each integration option.

# Step 8

To manage warehouses, go to **Settings** and then **Warehouses section** and edit them if needed

The screenshot displays the HOLIO application interface. On the left is a sidebar with navigation options: Home, Sales, Purchase, Warehouses, Profrakt logistics, Integrations (with a 'New' badge), Settings (highlighted with an orange box), and Customer support. The main content area is titled 'Settings' and features a top navigation bar with 'Company', 'Team', 'Warehouses' (highlighted with an orange box), 'Shipping', 'Printers', and 'API'. Below this, there is a section for 'Inventory warehouse' with a '+ New warehouse' button. The 'Warehouses list' section contains two entries: 'Warehouse name 1' (marked as 'Default') and 'Warehouse name 2'. 'Warehouse name 1' has a detailed information card with fields for Shipping address, Phone number, Email, Company name, and Note. 'Warehouse name 2' has a red warning banner that reads 'Set up your shipping address! Shipping address is needed to send from this warehouse' and a 'Company name' field.
